Dear [REDACTED],

Thank you for your emails.

We do not appear to have received your original request. Nevertheless, we have now considered your questions and reply as follows:

We do not hold any direct investments in any of the types of companies or companies that you list.

All of our investments are undertaken by independent investment management companies, and you would therefore need to direct your questions to them directly. Our investment management partners are listed in our statutory accounts as filed on the Charities Commission website, and are publically available.

Our investment managers operate within an ethical framework as set by Oxford University, and you will find information on their strict ethical investment policies on the University's website.

Regards

FOI

Good afternoon,

I am forwarding my previous FOI here, as requested in your email earlier today. Wolfson College was bcc'd to this email, so possibly the request went to a junk folder?

Thank you,
